## Transforming Men Into Godly Dads

Finances, busyness, work schedules, are just a few things that make it tough to be a dad, much less a Godly one. Are you feeling frustrated and overwhelmed in your role as a Christian father?

Godly leadership and purposeful fatherhood in your home may have taken a back seat to what you had hoped for in the life of your family. Rather than feeling guilty, angry, fearful and inadequate, **our retreat goal is to help you get back on track.**

The retreat is not just for Christian fathers, but for any father, young or older, who would like to explore how to be a better one from a Christian perspective even to your grown children. You will be offered the tools you need to be a great dad in fact!

The **Godly Fathering** retreat is being led by men who understand what it is like to lead a family in the midst of the stress and challenges of daily family life. They have families with grown sons and daughters, and have been in men's ministry for many years.

This one night event is for you if you want to:

- Lead your family without guilt, isolation, anger, and feelings of inadequacy
- Learn to love yourself from a Christian perspective, so you can really love your kids
- Understand God's love in a way you have never understood before
